With the restrictions being lifted, many residents have asked that municipalities maintain a hybrid situation. The municipalities were wondering how to ensure these stay FOIA compliant, and the State advised that they would come back with some guidelines.

10.4 “Leash Law” – Deborah Short advised there is a gentleman who is walking his dog on a very long leash who allows said dog to use resident’s yards to do eliminate waste. There was some discussion about at what point it is considered trespassing, or an ordinance violation. This dog owner has been confronted about letting the dog into yards to urinate and has not responded to the requests of other residents. The request of Chief Von Goerres is that next time the dog and owner are seen trespassing and eliminating waste on another’s property, document the situation and send it to him to address.
